The Wellness Program enables you to receive wellness (non-symptomatic) chiropractic and massage therapy at a substantially reduced cost. Please note that this special benefit is ONLY available to patients that have successfully completed their corrective plan. Insurance will NOT be billed for wellness care; however, many health care savings accounts and medical savings accounts reimburse for these services. Receipts will be given on a monthly basis by request only. The Wellness Program may be placed on hold if you are involved in an accident, injury, or significant exacerbation of your previous condition. The Wellness Program will begin on the first of the month immediately following the completion of your corrective care plan. Your credit card will be charged a one-time initiation fee of \$99 plus the amount chosen above. On or about the first of each month your card will only be charged the amount you chose above. You may drop out at any time with 30-days written notice; however we strongly encourage you to keep up your excellent progress throughout your life! Due to the substantial discount being offered, no fees paid in part or in whole are refundable. We reserve the right to decline continued participation at any time during the course of the program due to excessive cancellations, missed appointments or other unforeseen reasons. In the unlikely event that you have to reschedule any appointment, please provide us with at least 48 hours notice when possible. There is never any obligation to continue, and you can cancel your membership at any time; however, please be aware that the \$99 initiation fee may be assessed.
